For Constipation! Physic Purge or Laxative?_

> Everyone now and then becomes constipated, and millions are chronically in that condition. The perplexing question arises—what to ust.

Purgatives and cathartics are drastic and usually cause a reaction. Saline waters are rapid in action but do no more than empty the bowels.

Just as certain an effect, and certainly a much more pleasant one, can be obtained by the use of a combination of simple luxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. It acts gently, without griping. It is an especially ideal medicine for children, women, old people and others who find purges too powerful.

Only a temporoful is required, and by morning the movement is free and complete. A bottle in the house is insurance for the whole family against constipation, indigestion, head-aches, flatulency and other digestive ills.

The druggest will refund your money it it falls to do as promised.
